

## **DIRECTOR OF MISSIONS COLUMN** by Dr. Mark Inman

As we begin this new year of 2008, let's talk about outreach and church planting opportunities available in Fox Valley. Let me begin by sharing the following request for Mission Service Corps Volunteer Missionaries. Please let us know if you are aware of someone the Lord might have prepared for one of these positions or if the Lord might be speaking to you:

### **MISCELLANEOUS JOB DESCRIPTIONS**

#### **CAMPUS MINISTER**

Establish BCM on the campus of Northern Illinois University. Enlist and direct volunteers from area churches. Conduct regular Bible studies for students. Provide leadership and coordinate activities to mobilize students for mission activities and evangelism. Assist with area church planting.

#### **MULTI-HOUSING CHAPLAIN**

Serve as Chaplain in a multi-housing complex. Establish social ministries and ministry contacts with residents. Minister to the needs of residents and establish home Bible studies. Must complete Chaplain's training and accreditation through NAMB.

#### **LAY CHURCH PLANTING COORDINATOR**

Establish a church planting team and serve as leader of the team. Enlist team members. Coordinate with local churches for new plant locations and enlist support from them. Establish a Bible study in the church plant area. Oversee outreach and evangelism activities.

Second, church planting opportunities are listed on our missions/evangelism website as a prayer request. See [www.beholdinghisbeauty.com](http://www.beholdinghisbeauty.com). The Filipino mission is meeting at FBC McHenry. Plans for a Hispanic church plant at Mendota and at Belvidere are moving forward. The Mendota plant is sponsored by Emanuel of Aurora and Victory of Mendota. The Belvidere plant is sponsored by East Park of Belvidere and Vida Nueva of Elgin. Please pray for planning efforts for church plants at Sugar Grove and Genoa that hopefully can begin this Spring. Hispanic works are needed at Harvard and Genoa/Dekalb.

Third, I recently learned about another outreach/church planting ministry. Joe MacDonald, a former pastor of one of our FVBA churches serves as a Corporate Chaplain in downtown Chicago. Joe presently has his own business, but is moving toward full-time chaplaincy. If you know business people who work downtown Chicago, please let Joe know—we can get the information to him. He will make every effort to involve them in Bible studies and evangelistic gatherings in the loop. Dan Lovin, IBSA Chaplain Consultant, believes that this ministry has tremendous potential for outreach and church planting for suburban churches. Most of the business leaders to whom Joe ministers live in the suburbs and many of them are not connected to a church when they are reached with the Gospel.

As we enter 2008, let's ask the Lord to make us aware of how we can share the Gospel message.

Nueve mujeres de diferentes iglesias participaremos en el viaje misionero a Guatemala del 18 al 28 de enero, 2008 para colaborar en los ministerios que la Iglesia Bautista Shalom desarrolla. On Missions Celebration is an associational mission education event that provides two levels of involvement: Associational-wide and local churches. Every FVBA church that participates in an OMC will hear and meet missionaries serving throughout the world through the International Mission Board, North American Mission Board, and Baptist state conventions. Fox Valley Baptist Association On Missions Celebration is scheduled September 19-21, 2008. Further details will be shared soon.

### DISASTER RELIEF UPDATE by Richard Quick

The ice storms in the Midwest have reinforced the need for us to be ready for disasters. Southern Baptists are under Scriptural and moral obligation to all mankind to provide a positive witness of the love of Jesus Christ. Our Association is working to meet this goal. If you feel moved by our Lord to help please go to [www.fvba.com](http://www.fvba.com) or contact the FVBA office. Any funds received go directly to disaster relief efforts. Monetary or equipment donations could be sent to Fox Valley Baptist Association, 1590 Weatherstone Lane Suite 2, Elgin, IL 60123.

Please pray for the men and women that volunteer so that we can provide "A cup of cold water in Jesus name."

## EMBRACE BALTIMORE PARTNERSHIP & MISSIONS TRIP

Fox Valley Baptist Association will be a partner with Embrace Baltimore which is an effort of the North American Mission Board, the Baltimore Baptist Association, and the Baptist Convention of Maryland/Delaware to work with Baltimore's churches to change the city's spiritual climate with Jesus' love. We will intercede through prayer and involve people to serve in the Baltimore area by sending a missions team on June 23-27, 2008.
